Now in its 39th season (since 1957) as the official "Voice of the Falcons," WFOB-AM (1430) in Bowling Green is the flagship station for Falcon football. Besides WFOB, all games can also be heard on WBVI (96.7 FM) and WJYM (730 AM). Dave Horger returns again this season as the play-by-play voice for the Falcons. Horger has been doing BGSU football games in one capacity or another since the 1980 season. Former BGSU quarterback Mark Miller will again join Horger this season as the analyst. Miller is beginning his sixth season in that capacity. For all Falcon games this season, WFOB will come on the air one hour before kickoff with a pre-game show that includes coach and player interviews as well as all the facts and figures on the game. The post-game show, which includes an interview with both head coach Gary Blackney, a member of his staff, and a player, concludes approximately one-half hour after the conclusion of the game. Greg Franke will again assist the broadcast team, this year from the studio. Franke is in fourth year doing Falcon football games. WFOB will also be the host of the Gary Blackney radio show which is aired live every Monday evening throughout the season. The show features a recap and a preview of the games during the season. Fans are able to ask questions of BGSU head coach Gary Blackney by either calling in or by attending the show, tentatively set for Kaufman's Restaurant (downtown location). The show tentatively airs at 7 p.m.

Head Coach Gary Blackney

The Blackney File

Full Name: Gary Richard Blackney

Age: 50

Birthdate/Place: December 10, 1944/Astoria, New York

Hometown: Plainview, New York

Began at BGSU: December 5, 1990; **Record (Yrs.):** 33-8-2 (4)

High School: Plainview High School, '62 - **College:** Connecticut, '67

Wife: Lauretta

Children: Debbie (28), David (27), Kyle (21), Gary Jr. (17)

streak to begin his tenure.

The 1995 season will present some new challenges for Blackney and his staff as they look to win a third title. In order to achieve what they have set out to, they will have to overcome the loss of Vince Palko, two-time MAC Defensive Player of the Year, and the record-setting receiving combo of Ronnie Redd and Rameir Martin. Nonetheless, he believes BGSU will be a factor again. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons

clinched the MAC title with two weeks of the league schedule still remaining. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect

When it comes to winning games, few have done it better than Bowling Green State University head coach Gary Blackney.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles - going undefeated in league play to win the titles - and second and third-place finishes the last two seasons.

To get an idea of how dominant Falcon teams have been in MAC play during Blackney's tenure, consider the fact BG has had a perfect record for 26 of the 32 weeks of league play over the last four years. In addition, Bowling Green has not had a loss on its slate for 29 of the 32 weeks. All in all, Blackney has led his teams to an eye-popping 28-2-2 (.906) record in MAC play.

This comes on the heels of five straight years when 5-6 was the program's best record.

In just four short seasons, Blackney has accomplished what some have not in a lifetime. He is the first, and only, BGSU coach to win a bowl game. He was the first BGSU coach to lead his team to back-to-back seasons of at least 10 wins. He tied the NCAA record for "rookie" head coaches winning 11 games in 1991. And, he led the program to a MAC-record 19 consecutive conference wins and a 22-game unbeaten

The BGSU football program broke the Mid-American Conference record for consecutive league victories in their 17-10 win over Toledo in 1993. Head coach Gary Blackney is carried off the field by his players after BG's 17th straight league victory.

Head Coach Gary Blackney

record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

A little less than five years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served

under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 11 years, Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney still keeps up with the demands of being a head coach and a father.

Paul Ferraro, 36, is in his fifth season as defensive coordinator and coach of the secondary.

Under his guidance, the Ridgewood, New Jersey native has directed the defensive unit to the #1 ranking in the MAC in scoring defense each of the last two seasons. They have also ranked no lower than second in total defense and rushing defense each of the last two years. Bowling Green has been no lower than 12th in the nation in scoring defense in three of the last four seasons under Ferraro.

Immediately following his graduation from Springfield in 1982, where he earned three letters as an All-New England defensive back and a degree in physical education, Ferraro spent the next two years at Massachusetts and Syracuse working on the defensive side of the ball as a graduate assistant. At Syracuse, he also began work toward a graduate degree in athletic administration which he earned in 1985.

Wings Of The Falcons

BGSU Football Alumni Network

In its initial year, this "organization" was established to create a networking system that encourages former Falcon football players to attend BGSU games (home and away), team reunions, etc. in greater social numbers.

The program is also designed to better cultivate, through a caring attitude, those Falcons who are prepared or would be willing "to give back to Bowling Green football", not always in financial terms, but in the equally important aspect of spreading the positive word about Falcon football and BGSU in general.

Finally, via increased interaction amongst friends and peers, "Wings" strengthens the linkage that further enhances the tremendous life-long benefits that being a part of such a special program delivers.

Volunteer class representatives play a vital role in assisting the football staff by enlisting support and updating information on their former teammates.

Further information is available by contacting Jean Panning, football secretary, at (419) 372-7083, or Ken Kavanagh, associate athletic director, at (419) 372-7054. Or stop by the "Wings" tent in the northeast corner of Perry Stadium before or after any home game (there will not be a tent for the Louisiana Tech game).

Doyt & Loretta Perry Scholarship

The scholarship was created by the former BGSU head coach and his wife to encourage and financially assist qualified young men in their quest to become football coaches. The following is a list of the young coaches who have been a part of the BGSU football program and have earned the scholarship.

- 1994 - Paul Haynes/Ryan Hockman

Strongest Falcons

Bowling Green's success on the field depends, in part, on how hard the Falcons work away from the field during the off-season. So, during the winter, spring and summer, the BGSU Athletic Fitness Center has become a second "home" for members of the Falcon football team.

Below are the results from testing done in the spring following the completion of winter conditioning.

'95 Preview

After vying for the Mid-American Conference championships each of the last four years, the 1995 Bowling Green State University football team has the ingredients needed to continue the tradition.

The Falcons won 1991 and 1992 league titles with perfect records before capturing California Raisin and Las Vegas Bowls, respectively.

In 1993, BG still had an outside shot at the title going into the final weekend. Last year, Bowling Green and Central Michigan played the last week of the season for the title. The Chippewas wiped out a three-point Falcon lead in the fourth quarter with the momentum switching on a 73-yard touchdown run on a fake punt.

How dominant has the BGSU football program been in the MAC the last four seasons? Over the 32 weeks - eight league games over the four years - BG has not had a loss on its league slate in 29 of those weeks, and they have had a perfect (no losses, no ties) record for 26 weeks. Over the last four seasons, BG has compiled a 28-2-2 record in league play.

So, needless to say, a play here and a play there, and it would be easy to be talking about a program which had captured the last four league titles.

And, although the 1995 edition of Falcon football has a few question marks, those are far outweighed by

what is expected of the 36 returning letterwinners, of which 13 were starters.

On offense, the Falcons return the top signal-caller in the league and one of the top quarterbacks in the country last season, senior Ryan Henry. He has many of his weapons back this season, including the backfield, which returns intact.

"On the offensive side of the football, our strengths are on the line and in the backfield," said head coach Gary Blackney, who is beginning his fifth season at the helm. "We return everyone at quarterback, fullback, and tailback making that probably the

strongest area on the team. The line has the potential to be one of the best we have had when you consider playing experience, talent, and overall depth.

"The obvious challenge for us in spring and fall practice is to come up with some replacements at the wide receiver positions. We have some players who now have their chance, and I think will step forward and meet the challenge. But, until we get into the practice sessions and someone does emerge, it is one of the few areas where we do have some questions marks."

The Falcons lost all-conference receivers Ronnie Redd and Rameir Martin who combined to catch 168 passes for 29 touchdowns the last two seasons. Redd ended his career with a 45-game pass-catching streak while establishing the MAC record with 27 career scoring receptions.

While all indications would point to more emphasis being put on the running game, Blackney would prefer not to change the offensive formula which has helped the Falcons top the MAC charts in scoring offense in three of the last four seasons.

High-Flying Offense

The Bowling Green offense has ranked among the best in the MAC each year during head coach Gary Blackney's tenure.

	'94	'93	'92	'91
Scor. Offense	1	1-2	1	1
Tot. Offense	2	3	2	1
Rush Offense	4	5	6	6
Pass Offense	4	3	2	1

Bowling Green ranked eighth in the nation in scoring offense in 1994.

The junior tailback combination of Courtney Davis (#36) and Keylan Cates will be one of the most potent in the MAC. Combined, they rushed for almost 1,500 yards last season and had almost 2,000 all-purpose yards. Both have a chance at rushing for 1,000 yards this season, which has not been done at BG since 1984.

"Right now, we don't want to change the run-pass mix at all," Blackney said. "We have an outstanding quarterback returning whose forte is throwing the football. So, going into the fall, we want to continue doing what we have over the last four years. But, we must find some receivers in order to be able to do what we want to."

As they say, championships are

won with defense and the Falcons have had one of the stronger units in the country in each of Blackney's four seasons.

Last year's group tied for 11th in the nation in scoring defense while also ranking 16th in passing efficiency defense and 24th in total defense. BG was 12th in the nation in scoring defense in 1993 and ninth in 1991. During Blackney's tenure, BG has held MAC foes to two touchdowns or less in 23 of 32 games.

The Falcons have 10 players returning who have started games at some point in their career with senior outside linebacker Jason Woulard the most experienced of the returning players.

"We have a number of players returning who have started at one time or another," Blackney said. "So, with the natural growth and progression of the players, we think our defense has a chance to be as good or better than last year.

"The challenge for our defensive staff is to find a free safety, which is really the only position where we will be starting someone who might be somewhat inexperienced."

Blackney and his staff also spent some additional time with the kicking game in the spring.

"In the past, our real emphasis on the kicking game came in pre-season and in-season practice," Blackney said. "This year, because we have lost several of our specialty people, we felt like we needed to go back and give additional emphasis to the kicking game in order to maintain a high standard in that area.

"It (the kicking game) will be a point of emphasis again as we begin practice in August."

A brief overview of each area and some of the key players follows.

With Henry's practice time limited because of back surgery over the winter, and junior Derek Kidwell missing the entire spring because of ankle surgery, the bulk of the work at quarterback in the spring was handled by red-shirt freshman Bob Niemet.

spring and will give Kidwell some competition for the back-up role.

Henry, who did just about all the drills in the spring except those with contact, will be 100% when camp opens in the fall. And the coaching staff expects Henry to be better than he was last season.

All he did in 1994 was set league and school records for touchdown passes in a game (6) and season (25) while directing a Falcon offense which set a school and MAC mark scoring 391 points. He was one of the top players at his posi-

tion in the country ranking 10th in the nation in passing efficiency and fourth in touchdown passes.

ing for the starting nod, none of whom have any substantial game experience.

Junior Eric Starks is a transfer from Ohio State who did not take part in spring drills. Senior Scott Thompson, an All-American hurdler on the Falcon track team, broke a bone in his foot the first week of spring practice, but is expected to fully recover for the fall. He has not played football since his sophomore year in high school. Junior Duan'te Anderson had reconstructive knee surgery in the spring but is expected to return before the season is over.

Those three along with several other players, including freshman Mike Saneholtz, will battle for playing time opposite Dunaway.

The backfield positions are as solid and deep as any in some time.

The top three tailbacks return led by the duo of Keylan Cates and Courtney Davis. The juniors combined for almost 1,500 yards last season and 11 touchdowns. Davis, who started all 11 games, gained 664 yards (4.6 avg.) and is the better receiver of the two with 23 receptions last season, 10 of those in the Central Michigan game. Cates, who probably played as much as Davis and is the more physical of the two, led the team and ranked 10th in the MAC with 803 yards (4.4 avg.) and 10 touchdowns. Junior Michael Parker is also expected to see playing time.

Seniors Darius Card and Dwaylon Alexander complement each other at the fullback slot. Card is the better receiver of the two having caught 73 passes in his career while Alexander is the better blocker and he has a bruising, physical running style. Alexander missed all

but the first two games of the '94 season with a knee injury. He has recovered from the surgery, but saw very limited practice time in the spring.

Four players return along the offensive line led by senior tackle Chad Bukey, a first team All-MAC selection last season, and senior tight end Trevor Stover, a second team all-league selection. Bukey has started 20 games the last two seasons and is the best athlete of the linemen. Stover has always been a strong blocker, but added the pass-catching dimension last season with 16 receptions, three for scores.

Also returning on the offensive

time MAC Defensive Player of the Year Vince Palko. Woullard was second on the team to Palko in tackles the last two seasons.

Also returning at the linebacking spots is juniors Kevin O'Neill and Chris Burton. O'Neill moved into the starting spot on the inside when Woullard moved to the outside last season and was nothing short of spectacular. In his three starts, O'Neill led the team in tackles each game recording 14 tackles against Miami, 16 against Kent, and nine against Central Michigan. Despite his limited playing time early in the season, he was still third on the team last year with 75 tackles. Burton started six games

The Falcon defensive unit will rely heavily on the play of linebackers Jason Woullard (#49) and Kevin O'Neill. Woullard was second on the team in tackles for the second consecutive year in 1994 while O'Neill moved into the starting lineup with three games remaining and led the team in tackles in each contest.

line is senior center Cal Bowers and junior guard Shawn George. Bowers is the most experienced returnee in terms of games started, having started 28 games over the last three seasons.

●● Defense ●●

Much like last year, the strength of the defense will be at the linebacking positions where Woullard is the veteran returnee. Woullard, who moved to one of the outside linebacking spots for the final three games of last season, will stay on the outside this year. He had started the previous 19 games at the inside linebacking spot next to two-

recording 25 stops.

Sophomores Brian Manns and Todd Bush are likely to start at the other two linebacking spots, Bush on the inside. Manns earned considerable playing time last season while recording 22 tackles. Bush was one of four "true" freshmen to letter last season.

The line has good talent and depth at all three positions led by senior end Greg Cepek, a first team All-MAC selection a year ago. Cepek was fifth on the team with 59 stops last season while tying for the team lead with nine stops behind the line of scrimmage.

At noseguard two players return who started last season. Junior Dave Bruhowzki started a majority of the games, nine, while Tawan Smith started two contests and split time with Bruhowzki when he wasn't starting. Bruhowzki had 26 tackles last season, Smith, 25.

Stingy Defense

The Bowling Green defensive units have consistently ranked among the best in the MAC each year during head coach Gary Blackney's tenure.

	'94	'93	'92	'91
Scor. Defense	1	1	5	2
Tot. Defense	2	1	4	4
Rush Defense	2	1	2	3
Pass Defense	8	7	9	9

Bowling Green has also consistently ranked among the national leaders. Last year, they tied for 11th in scoring defense and were 16th in passing efficiency defense. In 1993, the BG defensive unit was 7th in total defense, 12th in scoring defense, and 13th in rushing defense. The 1991 unit ranked ninth nationally in scoring defense.

Junior Damon Smith returns at the tackle spot after starting one game last season. Sophomore Al Barnett figures to give Smith a battle for the starting nod.

The secondary is also strong, but it also includes the only position, strong safety, where a player with no starting experience will likely play.

Sophomore Chioke Bradley stepped right into the starting lineup last season at strong safety as a true freshman and finished sixth on the team with 57 tackles. Bradley was third in the MAC Freshman of the Year balloting behind two offensive players.

Senior Steve Ayers and junior Tony Everhart return at the cornerback positions. Ayers has seen playing time as the fifth or sixth back in those sets previously in his career while starting six games over the last two seasons. Everhart started 10 games in '94 leading the MAC with five "picks", which included a theft in four consecutive games, the second longest streak of its kind in school history.

Sophomore Demetrius Carr, who lettered last season as a true freshman, will push both returning starters at the cornerback position.

Heading into the fall, sophomores Jamaine Williams and Dwayne Hairston are the leading candidates at the free safety spot. The first game action for both came last season in a reserve role.

"As we enter the fall, Jamaine Williams is the player we feel will emerge as the starter," Blackney said. "From a physical and mental

point, he has all the capabilities to play the position. He just has a lack of experience. He is the key person to rounding out the secondary."

They Don't Giveth, But They Do Taketh Away

Over the last four seasons Bowling Green can best be described as a team which does not beat itself. Much of their success can be directly related to the fact they are +33 in turnover margin during that period. During that same time period, Bowling Green has added to the woes of its opponents by blocking a total of 23 kicks. BG special team units have blocked eight punts, seven field goals, and eight extra point attempts over the last four seasons.

●● Kicking Game ●●

The Falcons will have to replace All-America place-kicker Brian Leaver who set school and MAC records last season, by a kicker, with 105 points. In addition, he established just about every school kicking record during the course of his career. Leaver was fourth in the nation in scoring and tied for third in field goals while finishing as the runner-up for the Lou Groza Award last season.

Senior Derek Schorejs, who handled the kickoff duties last season, will take over the place-kicking chores this year. He had two field goals and 11 PATs in the 1993 season.

"Derek had a great spring," Blackney said. "We are confident he will be able to get into a game situation and do the things Brian Leaver was able to do."

The punting will be handled by senior Andy Tracy who improved from eighth to third in the MAC averaging 39.4 yards per effort last season. If Tracy were to sign a professional baseball contract over the summer, it is still hoped he would return for the 95 football season.

Senior Steve Ayers will likely start at one of the cornerback spots, and will also be one of the top special teams players. Ayers was third on the team last season with eight tackles as a member of the special teams.

Las Vegas Bowl

For those who have had a chance to attend any of the first three Las Vegas Bowls, they found it to be one of the best places in the country to hold such a game. And this year should be no different.

The 15th annual post-season football battle between the Mid-American Conference and Big West Conference champions, Las Vegas Bowl IV, is scheduled for Thursday, Dec. 14, at 9 p.m. (EST) in the city they call the "Entertainment Capital of the World."

The Las Vegas Bowl, which will be held in UNLV's 32,000-seat Sam Boyd Stadium, will again be televised to a national television audience by ESPN.

This year, the Las Vegas Convention and Visitors Authority, the sponsor of the bowl, are planning 1995 College Sports Week, which includes a college basketball doubleheader, the bowl game, and two other events to be announced.

The basketball doubleheader will be played Saturday, Dec. 16 at the Thomas and Mack Center pitting teams from the MAC against teams from the Big West. Ball State will face UNLV and Miami (Ohio) will square-off against Long Beach State.

The first three bowl games in Las Vegas have provided those in attendance and watching at home with excitement, not to mention a lot of points.

The 1992 game produced one of the most dramatic college football games of the year, as Bowling Green fought off a late Nevada rally to win the contest, 35-34.

On fourth-and-goal, Bowling Green quarterback Erik White threw a three-yard touchdown pass to split end Dave Hankins with 22 seconds remaining to lift the Falcons to the victory.

BGSU jumped out to a 28-3 halftime lead, but Nevada stormed back to take a 34-28 lead before the Falcons' late heroics.

In 1993, Utah State built a 21-0 lead at halftime and held a 35-17 edge heading into the final 15 minutes. But, MAC champion Ball State scored 16 fourth-quarter points. A fourth quarter interception return by

Utah State clinched a 42-33 win for the Aggies.

Last year, UNLV broke open a close game with 38 unanswered points in the middle two quarters to post a 52-24 win over Central Michigan. The win avenged a 35-23 loss to CMU earlier in the season. CMU All-America tailback Brian Pruitt did not play due to an injury.

All three games were preceded by various Las Vegas Bowl activities, including a reception, luncheon, pep rally and tailgate party. There were also sight-seeing tours, Las Vegas shows and several other special events, in addition to the other attractions the "City of Lights" offers.

The Las Vegas Bowl has become a source of pride for the state and community leaders, which accounts for the success the bowl has experienced.

The Las Vegas Bowl and the Rose Bowl are the only post-season bowls that annually pit the champions of two Division I-A collegiate conferences against one another.

The first 11 meetings between the MAC and Big West came in the California Bowl in Fresno, Calif. The MAC has a 5-9 record against Big West opponents in the previous 14 bowl games.

The Mid-American Conference is one of 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 49th year of existence, the MAC consists of 10 state-supported institutions in the Midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - The University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, The University of Toledo and Western Michigan University - nine schools have been members for 15 or more years. Akron joined the league in 1992.

The MAC was founded as a five-school conference in 1946 with Ohio, Butler, Cincinnati, Wayne State and Western Reserve the charter members. The current membership evolved over the 48-year history of the conference with Miami and Western Michigan joining shortly after the MAC was founded; Toledo, Kent and Bowling Green becoming members in the early 1950's; and Central Michigan, Eastern Michigan and Ball State joining in the early 1970's.

The MAC currently sponsors 19 championships, 10 in men's sports and nine in women's sports.

The MAC is the only Division I-A conference with its own Hall of Fame. A total of 52 individuals have been inducted into the MAC Hall of Fame since the first induction class in 1988 with 21 of those individuals with football backgrounds: coaches such as Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), John Pont (Miami) and Bill Hess (Ohio); and players such as Jack Lambert (Kent), Phil Villapiano (Bowling Green), Ron Johnson (Eastern Michigan) and Shafer Suggs (Ball State).

Numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national small college champion in 1959, and Ohio earned similar honors the following season. Toledo compiled a 35-game winning streak between 1969 and 1971, the second-longest streak in modern college football history. Additionally, Miami won three consecutive Tangerine Bowls in the mid-70's beating Florida (1973), Georgia (1974), and South Carolina (1975).

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, six-point favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were a thorn in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play.

Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted \$170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against the Bulldogs a two touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next posses-

sion. Sophomore quarterback Brian McClure connected with John Meek on the scoring play.

BG looked to be in the drivers seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons back up by three touchdowns.

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 18 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.

This third quarter fumble recovery by Stu Tolle set up the third Falcon touchdown giving the Falcons a 21-0 lead over Fresno State in the 1982 California Bowl.

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stolz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line where they fumbled, the first of five on the day the same number they had committed in the first 11 games of the season, the ball away in the end zone. Fresno State would score the next 37 points before BG would hit payday.

Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.

Not even being a double digit underdog against Fresno State could not keep the Falcons from completing its storybook season under first-year head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hook up for a second time. But, FSU comes right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the locker room.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU place-kicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU starts the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all FSU receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring. It is BG's first bowl win.

BG wins its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the first season of the Las Vegas Bowl after moving from Fresno, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 halftime lead. BG had 267 first-half yards to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green then moved to the Nevada six-yard line before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcons on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson rushed for 89 yards on 13 carries, and two touchdowns, in the first half of the 1992 Las Vegas Bowl as the Falcons built a 28-3 edge over Nevada.

Game Notes: This was a winner-take-all game for the MAC title and Las Vegas Bowl berth which lived up to its advance billing...the Falcon broke on top first scoring on the opening possession of the game on a one-yard pass from short yardage quarterback Mark Dunaway to offensive lineman Sam Hemke, who had lined up at tight end...the play came on a fourth-and-goal situation...but, CMU came right back scoring twice in the next two minutes on a long run and an interception return...CMU's third touchdown came on a pass intended for Terrance McMillan which bounced off his shoulder pads when he collided with BG defensive back George Johnson into Pruitt's arms...after a field goal late in the first half, BG scored consecutive touchdowns on runs by Keylan Cates to begin the second half to take a 25-21 lead...but, CMU broke BG's back on the next possession as punter Craig Fischer ran 73 yards down the Bowling Green sideline on a fake punt to re-take the lead...BG drove to the CMU 19 with its next possession, but a holding penalty moved the ball back and Brian Leaver's 52-yard field goal came up short...CMU then drove 65 yards to score while eating up 4:36 of the clock to put the game out of reach...BG's late score closed the gap, but CMU recovered the onside kick and ran out the clock...between his 70-yard scoring run and nine carries for 35 yards on the final drive, BG held CMU All-America tailback Brian Pruitt to 36 yards on 19 carries...the loss was the first at home during the tenure of head coach Gary Blackney (BG was 18-0-1 at home under Blackney prior to the CMU game).

most recently, a run of four

From former head coach

the Falcon football history.

The program got off to a
rocky start losing the first sev-

The 1921 squad was the first to win a conference title capturing the Northwest Conference championship with wins over Defiance, Findlay, and Toledo. BG shutout Findlay scoring a school record 151 points in one of the most talked about games in school history. In the season opener against Kent State, played behind what is now Ridge Street School, the Falcons played possibly the quietest game in school history when all fans were prohibited from making noise because of an illness in the neighborhood.

The following season, BG held its first homecoming game on Nov. 4, 1922, which was played at the Fairgrounds. Bowling Green and Toledo battled to a 6-6 deadlock.

A band made its first appearance at a BGSU football game

in 1923 under the direction of E.C. Powell.

After having a different coach in each of its first five seasons, Warren Steller was selected to coach the 1924 squad, the beginning of a very successful 11-year tenure, the second-longest in school history. Steller was the first BGSU head coach to have an assistant when Paul Landis was hired in 1925.

Led by Chet Chapman, the first BG player to earn first team All-Ohio honors, the 1928 team posted the first unbeaten record while allowing just 18 points in seven games.

In 1936, the federal government offered to help Bowling Green financially in the construction of a new football stadium and the Trustees accepted the offer. University Stadium was dedicated on Oc-

tober 23, 1937 and served as the home of Falcon football until 1966 when Doyt L. Perry Stadium was built. University Stadium was located in what is now the center of campus directly west of Jerome Library.

After playing mostly "local" teams previously in its history, the 1940 team made the longest trip in school history to that time to play Eastern Kentucky, a trip of approximately 400 miles.

In 1941, Robert Whittaker was named the head coach at Bowling Green after compiling an 11-year record of 89-19-2 at Sandusky High School. Whittaker's first of 14 teams, the longest tenure in school history, tied Case Western Reserve for the Ohio Conference title and was thought to be one of the best teams ever scoring 173 while allowing just 40.

After back-to-back losing seasons in 1953 and 1954, Doyt Perry began his legendary career as the Falcon head coach in 1955 and made an immediate impact. BG posted a 7-1-1 record scoring 224

points while allowing only 53. This came on the heels of a 2-7 record the previous season.

Perry, whose teams never lost more than two games in any of his 10 seasons, led his 1959 squad to the first perfect record in school history, 9-0-0, and in the process where named the mythical small college national champions by the Washington, D.C. Touchdown Club. BG's closest game that season was a Mid-American Conference victory at Ohio University by a 13-9 count to wrap up the perfect season and national honor.

The following season, BG came within one game of repeating as national champions losing only a 14-7 decision to Ohio University at home as the Bobcats claimed top national honors.

In 1961, Bowling Green played in its first bowl game, the Mercy Bowl at the Los Angeles Coliseum. The game against Fresno State was played to raise money to help defray the expenses of the families of 16 members of the Cal

One of the most significant wins in school history was the 17-13 victory over 18th-ranked Purdue in 1972. A fourth quarter field goal by Don Taylor was the difference. Photo above shows the Falcons stopping Purdue running back Otis Armstrong.

Paul Miles is second on the BG career rushing list with 3,238 yards while he is also the only football player to have his number retired. At the time of his graduation, he was only the third running back in NCAA history to rush for 1,000 yards in three consecutive seasons.

Poly Luis Obispo football team who perished in a plane crash shortly after takeoff from Toledo Express Airport after a 1960 game against Bowling Green. The game netted \$170,000 for the memorial fund.

The arrival of a skinny, much-heralded quarterback from Ravenna, Ohio in 1982 signaled the beginning of an 11-year period in which the Falcons would make four bowl appearances.

The quarterback was Brian McClure and all he would do in the next four seasons was lead the Falcons to a 34-12 record, a 19-1 record at home, two bowl games, and become only the second quarterback in NCAA history to pass for over 10,000 yards.

He became the starter in the third game of his freshman season, and despite missing the last two games of the regular season, he became the first freshman to be named the first team all-conference quarterback.

He would re-write the BG and MAC record books before

his career was over setting five NCAA records and still holding numerous school and MAC records.

Most recently, in 1991, Gary Blackney was tabbed as the 14th head football coach, and much like the arrival of McClure, he made an immediate impact on the program.

In his first season, he took a team which compiled a 3-5-2 mark the previous season and molded them into an 11-1 squad going undefeated in the MAC while winning the program's first bowl game.

The following season was more of the same as the Falcons were again perfect in league play and a win over Nevada in the first Las Vegas Bowl made it back-to-back bowl victories.

The 1993 squad would extend the conference winning streak to a league-record 19 games while going unbeaten in the first 22 MAC games of Blackney's tenure.

The 1995 team will look to add another chapter to the BGSU football storybook.

Brian McClure is one of only two players in MAC history to earn league MVP honors twice. His career passing yardage total of 10,280 is 1,500 yards more than any quarterback in MAC history.

The Mid-American Conference title won by the 1991 team was the first of two consecutive championships. The 1991 team won all eight of its MAC games, the first of what would turn into a league-record 19-game winning streak.

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Fight Song

Forward Falcons, Forward Falcons
Fight for victory,
Show your spirit, make them fear it
Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons
Make the contest keen,
Shout out the fame of our mighty name
And win for Bowling Green!

Ay Ziggy Zoomba

Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Zi
Roll along you BG warriors
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombardier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Why Orange and Brown

Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Why The Falcons?

The 1994-95 athletic year marks the 68th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

The Peace Pipe Award - (l-r) Athletic Director Dr. Ron Zwierlein, former President Paul J. Olscamp, co-captain Vince Palko, co-captain Rameir Martin, and head coach Gary Blackney.

Peace Pipe Award

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy. BGSU won last year's contest and will take a 33-22-4 series edge into the Oct. 21 game this season.

The Anniversary Award - (l-r) Athletic Director Dr. Ron Zwierlein, co-captain Vince Palko, co-captain Rameir Martin, former President Paul J. Olscamp, head coach Gary Blackney.

Anniversary Award

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent. Established in 1985 by the respective alumni departments at BGSU and Kent, the Anniversary Award commemorates the founding of BGSU and Kent in the year 1910. BGSU won last year's contest and leads the all-time series with its "sister school," 44-13-6. BGSU and Kent square-off on Nov. 4 this season. Kent, which has been BG's opponent in more football games than any other opponent, 63 contests, has won the award only once (1988) in the last nine years.

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU as former player, coach and administrator, Doyt L. Perry, was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December, 1988, for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989 in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine time in three sports (football, basketball, baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955 leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in Feb., 1992. At his memorial service former Michigan coach Bo Schembechler said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

Doyt L. Perry Stadium

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 30th year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

The Falcons begin the 1995 season looking to maintain their home dominance where they have compiled an 18-1-1 record during head coach Gary Blackney's tenure.

Perry Stadium is more than just a football facility. The east side of the stadium

includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift seven years ago. A physical fitness center/weight room opened its doors to all 19 intercollegiate athletic teams in the summer of 1988.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Doyt's wife, Loretta, is joined by Varsity BG Club President Tom Vogtsberger (far left), BGSU Athletic Director Dr. Ron Zwierlein (next to Vogtsberger) and head football coach Gary Blackney. A plaque (inset) was put up on the west side of the stadium commemorating the dedication.

Doyt L. Perry Stadium

Also situated on the west side of Perry Stadium is the Falcon Club offices and clubhouse, the office for the Director of Academic Affairs, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 16th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 94-43-6

record in the 143 games played at Perry Stadium. Over the last 13 seasons, Bowling Green is 50-10-4 at home for a .813 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

Facilities

Two of the most important facilities in the success of a football program are the weight room and an indoor facility, especially in the case of a "cold weather" school. The Bowling Green State University football program is fortunate to have both available to them. The BGSU Fitness Center (photos, top half of page) and the Bowling Green University Field House (photos, bottom half of page) are among the best facilities of their kind in the country.

● BGSU Fitness Center

The area where the football team does in weight lifting is a 5,800-square foot facility located conveniently on the west side of Doyt L. Perry Stadium on the ground level. Since its opening in 1988, it has been "fitted" with both free weights and Nautilus equipment.

● Bowling Green University Field House

The \$8.7 million facility opened in Jan., 1993 and is used for classes, intramurals, and intercollegiate athletics. It has two wings, a turf area, which is called the Jack Gregory Turf Room, named after the former BGSU athletic director, and a track area, which includes a 200-meter track and the appropriate high jump, long jump and pole vault areas. In addition, the area also includes four basketball courts which convert to tennis courts.

In the turf room of the 125,000-square foot facility is a regulation width football field that measures 90 yards in length. The ceiling is 50 feet high at its peak.

The Bowling Green State University athletic medicine division and curriculum, said to be one of the finest in the midwest, affords every Falcon athlete the best available care and treatment of injuries.

The athletic medicine division program offers the best possible prevention, evaluation, immediate treatment and rehabilitation of injuries.

Head athletic trainer Bill Jones, assistants Mike Messaros and Annette Davidson, and team physicians Dr. Richard Barker and Dr. Jeffrey LaPorte oversee the athletic medicine program for all 19 intercollegiate sports at Bowling Green.

The athletic medicine staff are in attendance at every athletic event which involves Bowling Green State University athletes. Prevention, evaluation, treatment and rehabilitation are the main objectives of the athletic medicine division and when an injury occurs, the staff provides on-the-spot treatment to make certain the injury does not become more serious.

A staff of 22 to 25 student trainers make up the remainder of the athletic medicine staff who care for the total intercollegiate athletic program as well as manage all seven athletic training rooms.

Bowling Green State University's success lies in offering its students the educational opportunities, diversity and excitement of a large university, while maintaining the personality, camaraderie and caring of a small college.

This success is fueled in large part by Bowling Green's commitment to research and teaching which has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green has nearly 875 full- and part-time faculty and 17,000 students on its campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 60 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College, located in Huron, Ohio, offers 21 associate degree programs,

as well as courses which fulfill the first two years of bachelor's degree requirements. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty, more than 95 percent of whom have the highest degree in their field, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, such as the industrial psychology program ranked fifth in the country in a recent U.S. News and World Report study. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three academic departments - chemistry, philosophy and psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only

two other Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than BGSU.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Center for Photochemical Sciences, the Population and Society Research Center, the Mid American Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Center for Canadian Studies, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Resource Center and the Mid America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and more than 80 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 5,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The University is also making great strides towards accomplishing its goal of making computers a vital part of each student's education. There are currently 18 computer labs, including eight in residence halls, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. This year the Board of Trustees has committed additional funds towards updating equipment in campus computer labs and additional networking of labs and academic buildings.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.8 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections,

Olscamp Hall, named for Paul J. Olscamp, former president, is a classroom building with state-of-the-art communication technology.

which houses materials relevant to northwest Ohio history, and the Sound Recordings Archives with one million recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, the Eppler Center, which houses the School of Health, Physical Education, and Recreation, is open following a \$9.5 million renovation. A year ago, a \$13.5 million classroom building, Paul Olscamp Hall, was opened and dedicated. The new building features state-of-the-art telecommunications capabilities which open unlimited possibilities for classroom instruction.

Also, the Board of Trustees this summer approved spending \$17 million to upgrade both Kreischer and Harshman Quadrangles, which each house 1,300 students. Kreischer should be completed in time for the start of the 1996-97 academic year and renovation work on Harshman will follow.

In the past three years, a \$9.8 million addition to the Fine Arts Building was completed, Hayes

Hall was converted into a computer center, an \$8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened, and a \$15 million renovation of Founders Quadrangle was completed, creating one of the finest and most modern residence halls in the state.

In the past dozen years, more than \$174 million has been allocated for new construction and remodeling projects.

President

Dr. Sidney A. Ribeau's appointment last spring as the ninth president of Bowling Green State University was met with a great deal of enthusiasm from faculty, staff, students, alumni and friends of the University. In the intervening months, that enthusiasm has not diminished.

He came to Bowling Green from California State Polytechnic University at Pomona where he had been vice president for academic affairs since 1982.

"Bowling Green is going to like Sidney Ribeau and Sidney Ribeau is going to like Bowling Green," John Laskey, president of the University's Board of Trustees, said at the time.

The search for Bowling Green's new president was the most open in University history. Judge C. Ellen Connally, former president of the Board of Trustees and chair of the search committee, promised early that no constituency would be left out of the process.

"Dr. Ribeau fulfills the credentials that the Presidential Search Committee established after listening to all the constituencies of the University. He has a warm and easy manner that portrays the confidence he has in himself. I think Dr. Ribeau will not only do things right—he will also do the right things. That is a leader!" Laskey said.

In accepting the Bowling Green presidency, Ribeau said he was eager to accept the challenge of leading the University. "Bowling Green State University is ready to move decisively and quickly towards the challenges of the future. The president is just one player in a team that has to be prepared, motivated and ready to act. I am able...I am willing...to make my contributions to this process. I will not weary, I will not fail the University," he said.

Ribeau was a popular selec-

Dr. Sidney Ribeau

tion. He was endorsed by the student newspaper and was the clear choice of the faculty and staff. "Sidney Ribeau was by far the number one choice of administrative staff," said Pat Green, the former chair of the Administrative Staff Council.

"Bowling Green is very fortunate to have found such an able leader who can be supported by all campus constituencies," said Dr. Fiona Mackinnon Slaney, chair of Bowling Green's Faculty Senate.

Ribeau's career in higher education includes extensive background in university administration and experience in the areas of strategic planning, faculty development, fund raising, program planning, communications and university relations.

At Pomona, he managed a division of approximately 1,300 faculty and staff and a \$70 million annual budget. Ribeau also implemented a divisional strategic plan, developed a campus diversity plan, implemented a faculty professional development program and reorganized the divisional finan-

cial management system, among other accomplishments.

As dean of the College of Liberal Arts at Cal Poly San Luis Obispo from 1990-92, Ribeau increased faculty ethnic and gender diversity, developed a college strategic plan and initiated a college annual giving campaign during a time of significant budgetary reductions.

From 1987-90, Ribeau was dean of undergraduate studies at California State University at San Bernardino. From 1976-87, he was chair of the Pan African studies department and professor of communication studies at California State University at Los Angeles.

He has continued to teach throughout his administrative career and has maintained an interest in intercultural communication,

African-American culture, relational communication, public discourse and race relations. He is the co-author of *African American Communication: Ethnic Identity and Cultural Interpretations*, which in 1994 received the Distinguished Scholarship Award for New Books, International and Intercultural Communication Division from the Speech Communication Association. He was selected earlier this year to give the 1995 B. Aubrey Fisher Memorial Lecture at the University of Utah. The lecture is one of the highest awards given to a scholar in the field of communications.

In the summer of 1994, he was invited to deliver the keynote address, "I, Too, Dream America," at the Chautauqua Institution, Chautauqua, N.Y.

Ribeau, who grew up in the Detroit, Mich. area, holds a bachelor's degree from Wayne State University. He received his master's and doctoral degrees from the University of Illinois in 1973 and 1976, respectively.

Athletic Director

Dr. Ron Zwierlein begins his second year as the director of intercollegiate athletics at Bowling Green State University having already accomplished a great deal in his short tenure.

During his first year as the director of Falcon athletics, he guided the men's sports program to the coveted Reese Trophy, symbolic of overall excellence in the Mid-American Conference.

Zwierlein, who was named to his present position on July 6, 1994, is more familiar with the BGSU athletic department, its operation, and the people than one would expect of a person recently appointed to the position. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic, physical education, and recreation administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities over the years.

Zwierlein, the 10th athletic director in the history of the department, spent the 1993-94 academic year as the interim vice-president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams in 1981 while also serving on the faculty at the university.

After three years as the head coach, during which his women's teams finished second in the Mid-American Conference all three seasons, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

While still working as a director of the Student Recreation Center, Zwierlein was appointed to direct the planning and oversee the construction of the \$8.7 million Bowling Green University Field House in 1991.

In 1992, he accepted the position as director of recreational sports, which included supervision of all facilities, staff, programs and financial resources associated with recrea-

tional sports. He was also responsible for overseeing the building and establishing the operational structure of the Field House.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio, near Cleveland. While at JCU, Zwierlein served as the head swimming and diving coach (1975-81) and athletic director (1977-1981). In his six seasons heading the men's swimming and diving program Zwierlein led JCU to the Presidents Athletic Conference title once while they placed seventh in the NCAA

meet in 1980-81. During his tenure as JCU's swimming and diving coach, Zwierlein helped develop 28 swimmers and divers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams combined to compile a 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure as the athletic director at JCU, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

A native of Rochester, N.Y., Zwierlein earned three letters as a member of the Falcon swimming and diving team, serving as team captain in 1967-68 as a senior. Zwierlein was a diver, finishing among the top four in the one-meter event at the MAC Championships as a junior and senior.

During his undergraduate days, Zwierlein also served as BGSU mascot Freddie Falcon.

After graduation from BGSU, Zwierlein served as head swimming and diving and soccer coach at Monroe High School in his hometown and as swimming and diving coach at Fremont (Ohio) Ross High School.

Zwierlein and his wife Cindy, a 1969 BGSU graduate, have three children, Heidi, Heather and Chad. Heidi and Heather are both students at BGSU.

Athletic Academic Affairs

Today's student-athletes face many challenges. Maintaining an appropriate balance between academics and athletics, reaching his or her potential athletically, meeting all academic requirements, maintaining a well-rounded personal life, and finally, developing a set of values and skills that will benefit each person throughout life are all of great importance to today's college athlete.

The Athletic Academic Affairs Office was established in 1985 to provide academic support services for BGSU student-athletes. Bowling Green was the first school in the MAC to have a position like this in the athletic department.

It is critical that our students establish a strong academic foundation during the first year of college and learn the necessary skills which will enable them to be successful students during their tenure at BGSU.

Services provided by the Athletic Academic Affairs office include the following:

● Academic Advising

The athletic academic staff works in conjunction with the University college advisors to insure the student-athletes are taking the

necessary courses to receive their degree.

● Study Table Program

A supervised study environment is available, primarily to first-year student-athletes, but open to all student-athletes, five evenings per week. After a long day complete with classes, practice, conditioning, etc., it is important our student-athletes develop effective study habits.

● Tutorial Assistance

Tutors are available on an individual basis to assist student-

athletes in their courses. Tutors must participate in a mandatory training and orientation session to learn the appropriate methods of tutoring. It is also important that our tutoring services reflect the varying needs of our student-athlete population.

● Life Skills Programming

Designed to address the "total development" of the student-athlete. The program emphasizes five critical components: the commitment to academic excellence; the commitment to athletic excellence; the commitment to career development; the commitment to personal development; and the commitment to service.

● Academic Honors Luncheon and Awards Recognition

Each year student-athletes who have a minimum 3.50 cumulative grade point average are honored at a luncheon. Students are nominated for numerous NCAA and MAC academic awards during the course of the academic year.

● Faculty Mentoring Program

Coach Gary Blackney is dedicated to providing strong academic role models for his student-athletes. Under his direction, a pilot faculty mentor program will be launched this fall. The goal of the program is to match a student-athlete with a BGSU faculty member. The mentor will become an additional resource for the student to consult with academic concerns or questions about college life. The mentors will also play a role in helping first-year student-athletes acclimate to the collegiate setting.

Coach Gary Blackney, his coaching staff, and the entire athletic department family is committed to achieving academic excellence. While it is important BGSU student-athletes receive a college degree, it is of equal importance our students leave the University with an education, an appreciation for learning, and the knowledge and skills that will carry them through life.

Over the years, BGSU student-athletes have continuously proved that academic commitment and athletic pride are key ingredients

to success. At the Annual Academic Honors Luncheon held in April, 50 student-athletes who have achieved a 3.50 cumulative grade point average were honored.

Additionally, 35% of BGSU's student-athletes earned a 3.00 cumulative grade point average or higher during the 1994-95 academic year. Nationally, BGSU boasts two Academic All-Americans, softball player Kathy Holland, who begins her masters work in physical therapy this fall, and hockey player Brian Holzinger, who already embarked on his pro-

fessional hockey career, however, he will receive his degree during the summer of 1996.

Bowling Green student-athletes have earned Academic All-America honors 44 times since 1969 in nine different sports.

The primary goal of the athletic department support program is to increase the student-athlete graduation rate as high as possible. We are proud of the commitment our student-athletes have made to academic excellence and we look forward to continued success during the 1995-96 academic year.

Falcon Quest

One of only 46 institutions to have participated in the NCAA Life Skills 1994 pilot study, BGSU's "Falcon Quest" program is designed to address the "total development" of the student-athlete in preparation for the biggest game of all - the game of life. With the assistance of numerous University and Bowling Green community personnel, a variety of programs are held during the year. In its inaugural year, *Falcon Quest* created and activated the Student-Athlete Advisory board, held a comprehensive Life Skills conference - attended by nearly 500 student-athletes, initiated the Falcon Speakers Bureau, and organized the Fall Falcon Fling picnic. *Falcon Quest* provides a well-rounded program for BGSU student-athletes to develop the individual skills necessary to lead a productive, successful life.
